TAM TAM TAMBURREDDHU FESTIVAL

Festival was born in 2015 from the idea of Claudio "Cavallo" Giagnotti – the leader of Mascarimiri – to enhance the main instrument of the Salento tradition, "Lu Tamburreddhu".

Tamburreddhu – the typical Salento frame drum – is the base of the pizzica pizzica, without it we cannot speak of the pizzica pizzica true sound.

The presence of national and international artists involved in the Festival helps us to start a comparison between "Lu Tamburreddhu" and other Mediterranean percussions.
