CLARIFICATIONS ON THE 30 DATES MADE IN THE PERIOD BETWEEN 2018 AND 2021

REQUEST

In the TOUR ITALIA and EXPORT calls, it is specified that in order to submit a SENIOR proposal, more than 30 national and / or international dates must have been carried out in the four-year period 2018-2021. Could these dates have all been scheduled in Puglia?

REPLY

The distinction between YOUNG and SENIOR proposals is aimed at encouraging the promotion of artistic projects through tours suitable for the growth of the projects themselves.

For this reason, the percentage of dates made in Puglia with respect to the total must not exceed 30%.

CLARIFICATIONS ON THE NUMBER OF CANDIDABLE PROPOSALS FOR EACH DEADLINE

QUESTION

The specification of the Puglia Sounds Export call does not indicate the maximum number of proposals that can be presented for each deadline. Does it mean that there is no limit?

ANSWER

Each proposing subject may submit up to two project proposals for each of the deadlines referred to in the following art. 5. In the event that more project proposals will be received within the same deadline, only the first two in order of arrival will be admitted to this procedure.
